==

Priorities

1. Economic
2. Legal framework
→ A politician must either like you or fear you
3. Art Education Quality
4. ∅
5. 5th Art study department
→ Multimedia

Resources

1. Human resources
2. Government institutions

Innovation

1. Human resources – Life-long learning
2. Being open to changes and opportunities
3. 3. Influence the direction of development of art education
→ (Art Schools should not “succumb” to current “fashionable” trends)

Steps, Structures, Measures

1. Be the first to offer our own solution

2. Gain Political support for that particular solution
3. Have a team of experts (economic, legislation – education law...)
